

# Report on Nine Initiatives

AAPC SE 2016

The Region charges our current certification committee with the work of exploring the pro's, con's, costs, implications, feasibility, alternatives, etc. of our region finding a way to offer certification. The Certification Committee is asked to bring a report to the Executive Committee and to the membership at next year's meeting at Kanuga.

**Yes we did!**

The Region charges the Executive Committee with appointing a *work group* to explore how we might expand the content and reach of our website and social media. We propose that this work group be empowered to retain appropriate consultation. We ask this work group to report its progress to the Executive Committee and the region by February 1, 2016.
